

May Lunch Group Report

8 of us had a marvellous evening meal at The Brownlow Arms, Caldwell for this month's meeting. The menu was extensive, so it took us quite a while before we had made our choices. The Lamb Shanks in red wine, Luxury Cicken Kievs, Venison in wild mushroom sauce, Chicken fajitas, Seabass, and Monkfish & Prawn in thermador sauce, were agreed by us all to be delicious, with added vegetables & chips, just to fill us up even more. Even then we all had room for puddings, Knickerbocker Glory, Baileys Chocolate Cheesecake, Chocolate & Cherry Trifle, Raspberry Brules, & Meringue Roulades which were also mouth-watering. Although the food took some time to arrive, it was worth waiting for and the service was good. We shall be returning.
