

Lunch Group Report – June 2023

As we were a party of ten for the June lunch we were informed by our host venue, Headlam Hall, that we would need to be charged at the group tariff rate which for some reason was more expensive. Fortunately, our savvy leader pointed out that there was nothing to this effect on their website.

We dined in our own room and enjoyed a good meal with all of us having a pudding and then some managed a coffee too. Our 'chatterings' included how we all speak slightly differently to each other and the quirks of local dialects and idioms. It was a lovely session and I am looking forward to our next venue on 19th July at the Black Bull in Moulton.

The 16th August venue is the Rose & Crown in Romalldkirk.
