

## Automotive Group October Report

Six members of the Automotive Group had a spin out over to Stanhope, in very foggy conditions over the tops, plus sheep on the roads licking up something tasty, using a variety of cars -

Porsche 996 from 1998.

Gilburn GT1800 from 1967 (fibreglass body, and based on an MGB).

Two BMW Z4s from 2003/4.

Taking a ride were (in the photo) Martin Ingall, Jeff Crossley, David Allinson, Phil Crichton, Peter Colley, and, taking the photo and enjoying a ride in the Porsche, David Yeadon.
