

### Chess Report. July 2025

We met as usual in The Old Well. Eight of us again, all willing to tax our brains. It's really great that the numbers have increased lately and gone are the days of just three people turning up! My partner for the afternoon hadn't challenged me for many weeks and we had a fabulous game. Hopefully everyone else in the group was just as happy 😊

We meet again on Thursday 7th August, brains sharpened and ready to do battle.
