

DISCUSSION GROUP

MARCH 2022

There is much going on in the news at the moment and our discussions were very varied but covered such topics as: trade/red tape/Brexit; Air BnB; the use of cannabis in America and drugs in general.

The Police were the subject of our main discussion, including the perceived lack of bobbies on the beat; the lack of the investigation of theft; and the few bad apples that give the police a poor reputation.

No doubt much will have happened between now and our next meeting on Friday 8th April when we aim to discuss the unfolding situation regarding Ukraine and the red line of the western nations. If you would like to join us please give me a ring.
