

DISCUSSION GROUP

OCTOBER 2022

Due to my senior moment, we met a week early this month. Apologies to anyone that this meant they were unable to attend. General news items that had caught members interest were Liz Truss; profits and taxation; fining of companies; planning laws; and lobb

Our main topic was 'begging' and this led us to discuss food banks and lifestyle choices as well.

We had a very extensive debate about the possibility of renationalising utility companies.

Our next meeting will be on Friday 11th November 10.15am at Andalusia's. We have chosen the topic: "Education". I am sure that this will lead to lots of aspects of the subject being discussed. If you would like to join us please give me a ring.
