

## DISCUSSION GROUP

NOVEMBER 2022

We had a very varied discussion this month. Items of news discussed included: British Airways allowing their male staff to wear make up and skirts; the proposed NHS nurses strike; the care sector and their staff vacancies; the lack of sufficient processors for asylum seekers; and energy companies.

Our main topic was 'Education' where we covered strike action, government interference particularly with the curriculum and the waste of materials in schools.

Next month's meeting will be on Friday 9th December, 10.15am at Andalucia's. The main topic will be 'Parking'. Our first meeting next year will be on the 13th January - main topic to be decided at the December meeting. If you would like to join us please give me a ring.
