

DISCUSSION GROUP

OCTOBER 2023

We had some excellent discussions this month about a great variety of subjects including: the prison population; the sycamore gap; lottery cash being given for the heritage of Durham railways; future medicines at risk; freedom of speech; potholes; shoplifting; retirement flats; immigration; and bedbugs.

Our next meetings will be on Fridays 10th November and 8th December 10.15 am at Andalucia's. If you would like to join us, please get in touch.
