

A Helping Hand – March 2023

17 members of the group turned up to a practical session where members helped each other to advance some part of their family history research. Nobody left without having advanced their skills, their family tree or both. The wi-fi in the Dales Room enabled everyone to log-on to one of the genealogy sites and see what they could find out – with a neighbour to help them along. The session was very popular and a similar session will be held every other month for the next few months at least.

The next meeting of the Genealogy Group will be on Thursday 6th of April at 2 p.m. at Enterprise House. The topic will be 'Illegitimacy, Bastards and Bastardy Bonds'.
