

U3A Teesdale Lunch Group – September Meeting Report

In September eight members of the Lunch Group met at the Black Horse, Ingleton. We met for an early evening meal at 5.30pm, as like a lot of pubs now, food at lunch time is restricted to a Friday to Sunday offer.

It was a happy group catching up on news, individual, local and national. The food was good, though Italian dishes (mainly pizza) are now only available Thursday to Sunday. The sea bass with seafood risotto was considered to be the best main dish and the lemon and lime cheesecake was the most popular desert, although its biscuit base was a bit of a challenge. Our only issue was the one hour long wait for our food to appear. The staff were very friendly and helpful.

In October the lunch group will be having a meal at the High Force Hotel.
