

U3A Lunch group January 26 report for Forum

In January the lunch group had a great start to the year with 17 Members getting together at the Bowes Museum café.

We had pre ordered our meals with the most popular main course being the homemade beef steak and venison pie, the portions were very generous with not many of us able to finish the meal. Still, we made room for desert or cake with the lemon posset so popular that it sold out.

As usual we were well looked after and had an enjoyable afternoon.

Our February meal will be at the Fox Hole in Piercebridge.

If anyone is interested in joining our friendly group, then please contact me.
