

# NEEDLECRAFT

APRIL 2019

The sun came out during the afternoon and we thoroughly enjoyed sitting in its warmth, through the glass of course. Apart from proceeding with our various projects we discussed the possibility of having a summer outing again this year and decided that for our August meeting (Monday 5th) we would visit Harewood House which will be hosting a craft exhibition. Not only will there be fashion and textiles on display but many other crafts so there should be something to interest many people. The house itself is home to a good art collection, as well as interesting furniture and interior decorations. If anyone else would like to join us for this outing they would be very welcome, the cost for coach transport, and entry to the house, exhibition and grounds is likely to be £24.

Our **next meeting** will be on Monday 6th May (the Bank Holiday). New members are always very welcome. All you need is enthusiasm - you don't need to be an expert (although they are also welcome). If you would like to join us please get in touch with me for venue details.
