

## SCRABBLE GROUP – December 2019

Reported by Judith Fanner

Nine players met again to play Scrabble at our house in Cotherstone. We split into three groups, so had three games on the go. The winners then played each other. Well done Sharon, our overall winner today. There were some high scores achieved and some interesting words.

If anyone else would like to join us in the new year contact me, Judith on 01833 650150 The next game will be at our house 1 Station Terrace, in Cotherstone on Monday 13th January. New players are always welcome whatever ability.
