

Scrabble Group

February Report by Judith Fanner

The Scrabble Group met at Lillian's house this month in Cotherstone. We had a group of nine players again which gave us three groups of three players. The winners played a second game against each other and the others played in different groups. Well done to everyone taking part who made the games so enjoyable and thank you to Lillian for the delicious refreshments.

The next game will be held on Monday 9th March at 2.00 p.m. at our house in Cotherstone. Anyone interested in joining the group please phone me on 01833 650150 or Lillian on 01833 650628
