

Table Tennis Group
Report by Celia Chapple

August 2020

The National U3A office, the sporting body, Table Tennis England, and the Government are unanimous in that we cannot safely play table tennis indoors due to COVID19 at this time. Teesdale Leisure Centre, where we usually play, is still looking at how it can safely re-open leisure centre activities using courts for all indoor sports. The Bishop Auckland Table Tennis Club is up and running on a limited basis and within COVID19 safety guidelines, and I have passed this information on to the group.

Some of us have temporarily mothballed our bats, but our enthusiasm for the game remains steady. On a brighter note, two members have played on holiday at a Center Parcs venue and enjoyed getting back to the game.
