

Table Tennis Group

June 2021 Report by Celia Chapple

All players present this month agree that Mickleton Hall provides a really suitable space for us to play, with on-hand bathrooms, all to ourselves. Their Covid measures are well thought through and there is lots of space between tables.

Despite holiday commitments and sickness, we nevertheless have had 2 sessions with a third due on 25 June. If you want to come along, please call me to book a place.
