Itinerary:

Sunday: From local pick up points we head south. En-route we include a visit to Stamford, widely regarded as one of the finest stone towns in England. The pretty facades of the town are favourites with film and television producers - Stamford was used as Meryton in the 2005 *Pride & Prejudice* film and has also appeared in *Middlemarch*, *The Da Vinci Code*, the *Golden Bowl*, and, more recently, *The Crown*. It's no wonder that visitors come from far and wide to experience Stamford's charm, character and outstanding shopping and restaurants. We continue our journey to reach the Holiday Inn Aylesbury, our base for the next 2 nights. Dinner is included.

Monday: After our included breakfast we enjoy a full day excursion to Bletchley Park. Discover the incredible achievements of Britain's World War Two Codebreakers, in the place where it happened. Once the top-secret home of the World War Two Codebreakers, Bletchley Park is now a vibrant heritage attraction. Immersive films, interactive displays, museum collections and faithfully recreated WW2 rooms will guide you on a journey to discover the past at Bletchley Park. Exhibitions, set within beautifully restored historic buildings, tell the story of this once top-secret operation. We return to our hotel where dinner is included.

Tuesday: After our included breakfast we check out and begin our journey home. The National Memorial Arboretum is the UK's year-round centre of Remembrance and home to iconic Armed Forces Memorial. The Arboretum features almost 400 thought-provoking memorials, nestled amongst lush maturing woodland. Military and civilian associations are represented alongside tributes for individuals. Rich in design and symbolism and sympathetic to the landscape they inhabit the memorials and their stories are waiting to be discovered.
