

Wildflower Group

January report by Rose Pude

On 10th January eight members of the Wildflower group met for lunch at Vivo's Restaurant. Ruth Stables was presented with a card showing meadow flowers and some tulips as a thank you from all the members of the group for all her hard work in setting up and then running the group for the past three years. We are all looking forward to the spring flowers coming out. Norma reported seeing blackthorn in flower near Bowes – at least a month earlier than normal!
